FASTFINGERPRINTS HAS ADDED A NEW LEVEL 2 LIVE SCAN FLORIDA FINGERPRINTING LOCATION IN OHIO!

Starting August 19, 2013 our *new* Westlake location (west of Cleveland) will be able to process Level 2 live scan Florida background checks!

FastFingerprints, a division of National Background Check, Inc. (NBCI), is approved by the Florida Department of Law Enforcement (FDLE), to process Level 2 live scan background checks. As an approved Level 2 live scan vendor for FDLE, FastFingerprints is now able to capture fingerprints electronically at both the Columbus office located at 1486 Bethel Road, Columbus OH 43220 and our *new* Westlake office located at 1991 Crocker Road, Suite 600, Westlake, OH 44145. This process meets the Level 2 live scan background check requirement in the state of Florida. Fingerprints are electronically submitted to FDLE, processed with the FBI and results are delivered to the state agency requesting the background check.

Are you required to complete a Level 2 background check that includes a photo? Some Florida state agencies, such as the Department of Health (DOH) and the Agency for Health Care Administration (AHCA) now require a photo with each background check. FastFingerprints has been certified to submit these background checks required by AHCA and DOH in Florida, and your photo will be captured at the time you are fingerprinted.

As of April 1, 2013, our Bethel Road location has been fingerprinting for AHCA, DOH and for other Florida reasons. Walk-ins for Florida FDLE background checks are welcomed at our Bethel Road location, M-F 8am – 5pm. Starting August 19, 2013, our Westlake office will also be accepting walk-ins for Florida fingerprinting M-F 8am – 12pm & 1pm – 5pm. Please be sure to bring your government-issued photo identification and the appropriate ORI number.

FastFingerprints also offers fingerprint cards to those who seek licensing outside of Florida or Ohio. We have five locations across Ohio where fingerprints can be captured electronically and printed onto two fingerprint cards, which you can then send to the applicable licensing board in the desired state of licensing. If you have confirmed that submitting fingerprint cards is acceptable for your request, check our locations tab for the hours of operation for these five locations; Independence, West Chester, Bethel Road, Westlake, and Maumee/Toledo.
